VOLUNTARY WAIVER BY LEON COUNTY, FLORIDA

Leon County, Florida (County) received by mail a notice of a Postcertification Amendment and a Request for Modification from the City of Tallahassee (City) on April 19, 2004. The County also received a Postcertification Amendment Order and a Proposed Order Modifying Conditions of Certification from the Department of Environmental Protection (Department) on April ___, 2004. After having had an opportunity to review and consider the City's Postcertification Amendment and Postcertification Amendment Order, and the Department's Request for Modification and Proposed Order Modifying Conditions of Certification, all related to the temporary installation and limited operation of twenty-three (23) small (nominal 5.5 megawatts each) natural gas-fired simple-cycle combustion turbines at the Arvah B. Hopkins Generating Station, the County has determined that it has no objections to the Postcertification Amendment Order or the Proposed Order Modifying Conditions of Certification and hereby waives its 21-day and 30-day review periods, respectively, under the Florida Administrative Procedure Act, Chapter 120, Florida Statutes, and the Florida Electrical Power Plant Siting Act, Chapter 403, Part II, Florida Statutes.

DONE this ____ day of _____, 2004, in Tallahassee, Florida.
